A meeting repository is available for both uploading and downloading meeting documents

To access the repository

1) go to https://github.com/
2) Click the Sign in button

Login
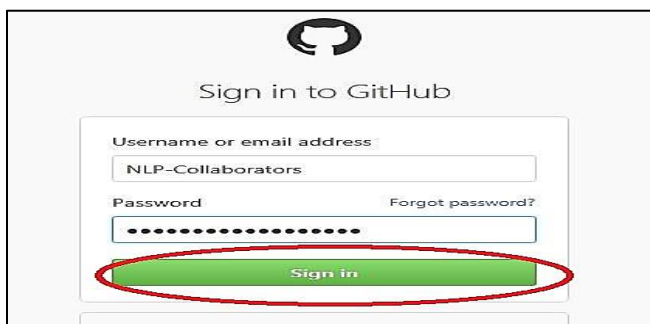

3) Sign in with the following username and password

   Username: **NLP-Collaborators**

   Password: **NLP-Collaborators1**

4) Click the Sign In bar

5) Access the Nashville-NLP-Field-Based-Meeting Repository by clicking on the name
Nashville-NLP-Field-Based-Meeting

You can download any document in the repository, in any folder you see there

To upload a document

1) Go to the folder in the repository that you want to upload a file to.

2) Click "Upload Files" to submit your presentation.

3) Commit your file to the repository
